

STOP SINCLAIR BROADCASTING FROM UNFAIRLY  
INFLUENCING THE U.S. PRESIDENTIAL ELECTION.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

The FCC will be allowing ONE INDIVIDUAL - the owner/head of Sinclair to influence the U.S. Presidential election in an unfair and biased manner.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
